

Instructions:

1. Print
2. Attach to some thing rigid you can cut out. Like a cereal box or some other thin cardboard
3. Cut out the yellow along the black lines (if you printed this in black and white cut out the unwhite part)
4. Spray paint through the hole onto a surface.

ohmyback.net is in no way responsible for where you do this. Send us a photo of it anyway. info@ohmyback.net
